

FR1200

FR1200, a fingerprint reader with RS485 communication

Specifications

CPU Standard Function ID Card Module 324MHz Sensor **Optional Function** ZK small-sized sensor IC Card Module Communication Voice Prompt

Buzzer

Working Voltage

12VDC

Working Temperature

0°C ~ 45°C

Protection Grade

IP65

Size

Height: 102mm Width: 50mm

Depth: 37mm

Configuration

RS485
